There was Once A Philosopher some believed to be True Author of
Hamlet But Francis Bacon Also Created A very Smart Cypher

There was once a philosopher some believed to be true author of
Hamlet but Francis Bacon also created a very smart cypher

There was once a philosopher some believed to be true author of Hamlet but Francis Bacon also created a very
smart cypher

There was once a philosopher some believed to be true author of Hamlet. But Francis Bacon also
created a very smart cypher.

There was once a philosopher some believed to be true author of Hamlet but Francis
Bacon also created a very smart cypher

There ~~re~~ was once *a* philosop*her*
some *believed* to be *true*
author of Hamlet.

But Francis Bacon also
created a *very smart* cypher.
